## **School Mass—Sunday 5th February**

We are gathering as a school and parish for a school mass this Sunday, 5th February at 9.15am. Year 6 will be leading this mass to celebrate their confirmation but it would be wonderful to see as many of our children from all our year groups attending this special parish mass.

## **Confirmation**

This morning, Canon Paul Fitzpatrick visited our classes and spent time with our Year 6 children and discussed their forthcoming Confirmation this evening. Special thanks to Canon Paul and Father Moses for spending so much of their time with our children. Please continue to pray for our Confirmandi and all our Year 3 children preparing to receive their First Holy Communion in June.

## **Building Project Update**

Our building team have made great progress over the last few days with the demolition of the old storage areas, the removal of the rubble and the completion of the new build footings. On Saturday, we expect a concrete delivery for the new floor slab.

Please see Class Dojo and our school twitter for photo updates.

**Composting** —This week, to help us live more simply, we are focusing on composting. Collecting together vegetable food scraps such as potato peelings, carrot tops, and other biodegradable food waste from the kitchen, such as tea bags, can provide you with compost material for planting. When such products rot, you could dig the waste into soil or pots to support the growth of new plants!

Wednesday Word for this week is....**Goodness**

Dear Lord Jesus, you are the source of all **goodness**.  
Thank you for all the people who help us to grow in  
**goodness** and become the best that we can be.  
Amen.

### **Birthday Treats**

If you bring in treats for your child's birthday, please be aware that some children in school have nut and dairy allergies or do not eat gelatine, so plain chocolate (that does not contain gelatine) is a better option than, for example, tins of chocolates.

### **Football Report**

Our football squad hosted St. Gregory's on Thursday evening for a league game. The team played very well but eventually lost the game 5-2, with St. Gregory's scoring some good goals, as we moved players forward, trying our best to get back into the match. Well done for great effort team!  
Jayden B, Nathan, Yanis, Jonathan, Mike, Yann and Jayden.

### **After School Clubs**

Monday YMCA for Y6 3.15—4.15pm  
Tuesday Netball for 3.15—4.15pm  
Wednesday Football 3.15—4.15pm  
Friday YMCA Y6 Girls—3.30pm finish
