This weeks winning class is: Y6 99%

Rec: 98% Year 1: 95.5% Year 2: 98.3% Year 3: 95.4% Year 4: 98.2% Year 5: 92.5% Year 6: 99%

Year 6 SATS

Well done to our Year 6 children who took part in their SATS assessment tests this week. Our children approached the four days of testing with great maturity and we look forward to finding out how well they have done when SATs results are shared in July.

Also, our thanks to our dedicated Year 6 staff team of Mrs. Clarke, Ms Chouhan and Mr. Harries who have worked so hard to nurture and guide our children through Year 6.

Making The Right Choices

At St. Elizabeth's we make the right choices when we...

Are kind and respectful

Look after our school

Are the reason someone smiles today

Listen and care for everyone

Are Christ's hands on earth

In our classrooms and around our school we have the above signs that continually remind our children of our school expectations, how we expect our school community to live. There are obviously times our children stray from these expectations and that is where we must together, both at home and in school, reinforce messages when behaviours are unacceptable and insist on our school expectations. Name calling, leaving children out of games or making comments that upset others for example are clearly unacceptable, please ensure your child is very clear on our shared expectations. Our relationships are rooted in our faith and Christ is very clear in his message and instruction to us, that we must love one another. Please take time this weekend to reinforce this message and our school values and expectations.

Dol—y—Moch

Our Year 6 children travel to Dol—y—Moch on Tuesday for a 5 day residential to North Wales. We hope they have happy days, pleasant weather and fun challenges and we look forward to their return to Coventry on Saturday. Watch out on Class Dojo for photos of their adventures!

Mental Health

Throughout this week we have been sharing ideas, quotes and thoughts to support mental health awareness on Class Dojo. We will continue to share these 'clips' which we hope may help to stimulate awareness, a conversation or a question at home. Please don't forget, if you have any concerns or issues regarding your child's/family's health or mental health, please reach out—we are here to help and if we can't we will sign post to professionals with experience and sensitivity.

Wednesday Word for this week is....**Helper**

Dear Lord Jesus, please send your Holy Spirit into our lives to be our **helper** and to guide us, so that we can be a great help to those around us.
Amen.

Walk to School Week

Next week, we celebrate 'Walk to School Week'. Please make every effort to walk to school or park a little further away, maybe the Gallagher Retail Park, and reduce pressure on our local roads and enjoy (weather permitting) a walk to school with your child/children. Walking to school gives you and your child time to talk and can be an incredibly precious time of the day which one day won't be needed when they begin travelling to school on their own.

One Body One Life

An enormous thank you to the families who supported this week's 'One Body One Life' meeting led by Coventry NHS. Please join us again on each Wednesday until July for another meeting focused on helping our families live healthier lives.

Archery Team

A special thank you to Brody, Leon, Enrique and Bentley who represented our school in a school games Archery Tournament on Wednesday. Our team performed brilliantly whilst having a great time with a new sport. Well done team!

After School Clubs

Monday - Football Y5/6 3.15—4.15pm

Tuesday - Netball Y5 3.15—4.15pm

Wednesday - Dance Y4 3.15—4.15pm

Coffee Morning Invitation

Please join us for tea, coffee and biscuits on **Wednesday 24th May**, our last Wednesday of this half term. As well as a chance to discuss school matters you will also have the chance to view our new library area. Please look out for the special invitation letter next week. Looking forward to seeing you there!
