Harvest Collection

An enormous thank you for your generosity with the food contributions provided to the school as part of our harvest collection for the Foleshill Community Hub. These items of food will be brought to the Hub next week to provide much needed food parcel support for needy families. If you have not contributed and wish to, please bring in any items of food before Wednesday of next week.

Team Recycle Visit

Today, our children enjoyed a visit from Team Recycle who shared their work and the importance of reducing waste and reusing and recycling. As we strive to 'live simply' and protect our planet's resources, our children are now even more aware of the importance of this understanding and crucially, how we can do it! Please consider how you can support this vital drive in protecting our planet and all of the animals and people on it.

As part of our 'Live Simply' focus, we are having a renewed focus on recycling. We now have collection boxes in school and we are collecting plastic bottle tops and washed plastic milk bottles. Thank you in advance for your support.
