Congratulations!

We had very special baby news on Sunday 3rd March as Mr. and Mrs. Aston celebrated the birth of a baby boy! Baby, mum and Mr. Aston are all doing well and we all send them our love and best wishes at this special time!

Stations of the Cross

Please see Class Dojo for images of our St. Elizabeth's Church Stations of the Cross which you may wish to share and pray at home during this special Lenten preparation time.

Live Simply with.... Earth Hour

Could an hour change the world?

Earth Hour is being celebrated on Saturday 23rd March and it's a time to switch off and dedicate an hour to help bring our world back to life.

You can do this any way you like, by spending 60 minutes doing something – anything – positive for our planet.

Follow on the link below, also shared for ease on Class Dojo, to see some ideas that will have a big impact upon your child, you family and the world!!

Ramadam Mubarak

Ramadam Mubarak to all of our Muslim children and families observing the month.

We wish you all a very peaceful Ramadam!

Fasting.... Whilst we understand why some of our children may want to join their older family members and adults in fasting, primary school age children younger than the age of puberty are not obliged or expected to fast. If our older children are to take part in a partial fast, we request that they do this outside of the school day (that they do have a school dinner) and that fasting is under parental supervision.

Dear Lord Jesus, thank you for giving your life for us and for calling us to **follow** you, so that our world may become a better place. Amen.

British Science Week

This week students celebrated British Science Week with a range of investigations and activities including a visit from Warwick University's Planetarium. Classes used their working scientific skills to answer the question: Which biscuit is best for the staff room? It was great to see children so engaged with practical science and a big thank you to all who entered the poster competition.

It was difficult to choose winners out of the 85 entries but congratulations to:

Noah Y1, Berlin Y2, Niveha Y3, Isha Y4, Imisi Y5 & Mariia Y6.

All entries received a treat for taking part.

School Entry System

We now have a new school gate and door entry system in place. The new system has cameras on all area and is also programmed to be open for the times noted below. Please be reminded that no child or adult should walk through the closing/opening vehicle gates at any time; this gate is for vehicles only.

Pedestrian Gate open at: 7.50am—9.00am, 11.30—12.00pm, 3.00—5.00pm
