Congratulations Confirmandi!

On Sunday, we welcomed back Bishop Richard to our parish to confer the Sacrament of Confirmation on our Year 6 Confirmandi children. We were delighted to see our children approach their special day with so much understanding of this special sacrament and their clear commitment to their continuing journey of faith.

Bishop Richard commended our children and expressed his thanks to them, their families, our school family and the wider parish of St. Elizabeth's. Thank you to Father Moses and Sister Joan for their continued example and faith leadership and our amazing team of altar servers, the Parish Choir and our church stewards who ensured the mass could be celebrated so beautifully. Thank you all and congratulations children!

Live Simply.....World Water Day

Tomorrow is World Water Day, a day when we are urged to reflect upon our use and value of water. This annual United Nations observance day is a reminder to us all to do what we can to manage our use of fresh water. A particular focus for this year is 'glacier preservation', particularly important at a time when glaciers are melting faster than ever due to climate change. So, tomorrow, and as we go forward, please work with your child at home to save water to save the planet!

We look forward to Mary's visit and we hope Mary will be outside on Friday afternoon to say hello and meet our parents and families.

Girls Football Report

A huge well done to our St Elizabeth's Girls Football Team who played in their first Catholic Girls Football League match this afternoon. We travelled to Corpus Christi Catholic Primary School. There were many positive points to take away from the game. The squad learnt a lot and played some lovely passing football. Unfortunately, Corpus Christi won 2 - 0, however, St. Elizabeth's did have opportunities to score throughout. Overall, a fantastic first game!

Smartie Tube 'Silver' Challenge!!

Today your child received a tube of Smarties (unless they are allergic to milk/dairy/chocolate) which we are using to set a Lent fundraising challenge with! We are asking children and families to enjoy the smarties but then **keep the tube and fill it with silver coins (5/10/20p's)**, then, return the tube to school on the last Friday before the Easter holiday, Friday 11th April. The monies collected will be shared with our Lenten charities, Farther Hudsons Caritas and CAFOD. Thank you in advance for your wonderful generosity for those in so much need!
