Welcome Back!

A very warm welcome to our final half term of the year! We have a very exciting half term ahead with so much for our children to look forward to! Our continued thanks to our parents and families for your support of our children and our home school partnership. Thank you for presenting your child in appropriate school uniform and PE kit; please ensure your child only wears PE kit on PE days. Please keep in touch with our children's achievements and school news on Class Dojo; we are incredibly proud of our children and school and your support of our children and school is vital for their continued progress.

Earrings and Hairstyles

A reminder that we are a 'no earrings' school. Please ensure your child is not wearing earrings for any school day. Also, hairstyles should be appropriate for our primary school, for example, boys should not have any tram lines or designs/shapes in their hair

Exposition of the Blessed Sacrament

Following yesterday's first mass of the half term, our children were invited to adoration during the Exposition of the Blessed Sacrament. This special opportunity for our children and the parish, when the Blessed Sacrament is displayed in a monstrance, allowed us time to kneel in prayer talking and listening to God.....a beautiful time for our school and parish.

First Holy Communion

Please continue to keep in your prayers our Year 3 and Year 4 children who are preparing for their First Holy Communion.

We look forward to their exciting day on **Sunday 22nd June, 9.15am**, the Feast of Corpus Christi.

Happy Pentecost

This weekend, we draw the seventh week of Eastertide to a close and celebrate Pentecost; the 'birthday' of the Church. During Pentecost we recognise that Pentecost is not simply a historical event but one in which the Holy Spirit came to support the Apostles and early disciples of the Church and it is still alive and active today! As Pope Francis reminded us, *"The Holy Spirit transforms us and wants to transform the world; let us pray that we all remain open to God's call and open to receiving the many priceless gifts which the Holy Spirit brings."*

Department of Education Recognition

We were delighted to receive notification this week from the DfE, Department for Education, that St. Elizabeth's has been requested to apply to be a lead school in the region to deliver support for the other schools through the Governments RISE Attendance and Behaviour Programme as we fulfilled the eligibility criteria and received the invitation to lead. We are very proud that our children's behaviour and their attendance at school has been recognised—thank you to all of our parents and family members for working with us to ensure our children receive the opportunities, love and support to be successful and happy in school.

The 'Wednesday Word' for this week is **Pentecost**

Simply repeating the words 'Come, Holy Spirit' is a great prayer to say at Pentecost, and also each day throughout the year.

#Live Simply

This week we received and have displayed two new Live Simply Award plaques in school. Pictures of the beautiful wooden plaques are on Class Dojo and they note and recognise our school's continued drive towards living sustainably following our national Green Flag Award earlier this year. Yesterday, World Environment Day, served as a further reminder to us all of our responsibility to be good stewards of the Earth...

This weekend, please make an effort to live simply, maybe taking your child/children to the park, refocusing on recycling at home or maybe visit a friend or family member you haven't seen for some time.
