Parking and Pedestrian Safety

St. Elizabeth's Road and our surrounding roads remain very busy at peak times and continue to pose problems for parking and crossing. Please be considerate when driving on our roads and remain aware of all pedestrians, especially younger children.

Also, please do not park outside the school gates on the wider school 'apron', this area must remain clear as it is a crossing point.

Parents who collect their children from the school car park after school, please be aware of the staff cars' in the car park and do not lean on them whilst waiting to collect your child or allow any child to move around the car park and cars. Thank you.

Year 6 SATS

Please keep our Year 6 children in your prayers as they complete their Year 6 SATS next week. Our children have worked very hard to prepare for these assessment tests and we are all very proud of their focus and effort they have displayed throughout the year.

Easter Retreat Online

Today our children joined hundreds of other children from across the Diocese on an online Easter Liturgy with well known friends, Dan and Emily from One Life Music. Our children thoroughly enjoyed this special Easter celebration. Also, throughout May, our classes will be having a daily online assembly focused on the life of Mary and how she remains an inspiration to us all.

Live Simply

We have recently purchased wall stickers our Eco—Council will be pacing under light switches throughout school, the stickers remind us to turn off unnecessary lights to save energy. Is this something you can do at more of at home? As energy prices continue to rise, simple money and energy saving steps can make a difference.

Dear Lord Jesus, you are the Good Shepherd who knows us by name and guides us through **life**. Please help us to follow you always.
Amen.

Foleshill Community Mile

Please join the 'Go Foleshill' Team on Saturday 14th May, 11am Edgwick Park, for the Foleshill Community Mile. You can walk, jog or run around the park as the local community comes together for this fun event.

Warm Weather Considerations

Please ensure your child has a school water bottle in school for every school day.

This bottle should be taken home and cleaned at least weekly.

As the warmer temperatures rise we recommend children have a sun hat for their protection and additional layers of clothing e.g vests are removed.

Sun lotion may be applied before school for added protection from the sun.
