Science Week

We have had a wonderful week of science focused activities as part of British Science Week. Visits to school from Warwickshire Wildlife Trust and Falconry UK and online zooms from bee keepers supplemented a variety of science lessons that our children really enjoyed. Special thanks to our science leader, Miss Stowell, who organised and led such an enjoyable week of science.

Drop off and pick Up

Due to works beginning with the new church social centre this week, Year 2 will continue to be dismissed from the school playground main gate at 3.15pm each day. Moving forwards, we will review these arrangements.

Can we ask all parents and carers to ensure that all children are monitored and kept under close supervision after receiving their child from a member of staff and guide them appropriately off the school site.

Children should not be free to 'run off' and play with friends at this congested time of the day. Please remind your child that if there is ever an issue e.g they become separated at pick up times, that they return to their class teacher or member of staff.

Online safety

Please see our recent Class Dojo school messages regarding guidance for games, social media and online safety. The picture/posters serve as useful guides but please remember, we are happy to advise and support, please contact Mrs Miles (Designated Safeguarding Lead) or Mr Doyle.

Today we have also shared our Online safety Newsletter with some latest tips, particularly focusing on Snapchat, which we hope supports conversations at home.

The Wednesday's Word for this week is

ENCOURAGEMENT

Dear Lord Jesus, thank you for encouraging us.
Please help us to be more like you—to be an encouragement
to those around us.
Amen.
