Summer 2 Virtue & Value Focus: Attentive & Discerning

Pupils are growing to be 'attentive' to their experience and to their vocation; and 'discerning' about the choices they make and the effects of those choices.

Year 6 Dol y Moch Residential Meeting

Next Thursday, we are holding a brief meeting for Year 6 parents and carers regarding our forthcoming residential trip to the Dol y Moch Outdoor Centre in Wales. Year 6 children will be dismissed as normal with attending children, parents and carers then making their way to the school front office where you will be directed to the Year 6 classroom. We anticipate the meeting will last approximately 20 mins.

Welcome back everyone! Second Summer Half Term Begins!

A very warm welcome back to school for our final half term of the year! The final summer half term promises to be a very exciting one with so much for our children to look forward to and to experience. Our continued thanks to all of our parents, carers and family members for your support of our children and your home school partnership with school. Also, thank you for presenting your children so well for school each and every day. Please be reminded that we have our usual summer uniform expectations in place, including appropriate school PE kit of black shorts or jogging bottoms (without branding or logos) and our school PE t-shirt and school hooded top. Have a wonderful half term everyone!

First Holy Communion

On Sunday, during the 9.15am parish mass celebration of the Feast of Corpus Christi, we look forward to seeing our Year 3 children receive the Sacrament of the Eucharist. Please continue to keep these children in your prayers as they approach this momentous day.

Summer Sun Protection

As we enter the warmer months of the year, please be reminded of the ways you can protect your child from the sun and heat:

- Apply sun lotion before school as required.
- Provide a school water bottle for every day in school
- Your child should not wear multiple layers of clothing

Children will be offered to wear their own school baseball cap which we keep in school.

We pray... Our Father, who art in heaven, hallowed by thy name; thy kingdom come, thy will be done on earth, as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil. Amen.

Water Safety

The tragic loss of a teenager at Kingsbury Water Park in the West Midlands over the Bank Holiday weekend and several other incidents across the country have highlighted the dangers of open water, especially for young children and teenagers during periods of hot weather.

In the West Midlands, our main sources of water danger are from canals, rivers lakes and ponds, but some of you maybe visiting the beach over the Summer period.

Given the summer holidays are only a half term away, we urge you to pass on age appropriate water safety messages to your child/children.

The websites below, already shared on Class Dojo, provide a variety of age appropriate water safety messages and guidance:

If your child cannot swim or you would like to improve your child's swimming strokes and water confidence, please contact the AT7 Leisure Centre for lesson and pool times.

BOYS FOOTBALL

On Monday, our school football team played their final league game of the season against a very strong Sacred Heart team. The team drew the game 1-1 in a very closely fought game. The team played very well indeed and narrowly missed a number of chances which would have given them the victory but it clearly illustrated how far the team has come and how much every player has progressed across the year. Mr Garratley and Mr. Aston are very proud of them for their effort across the season, well done all!
