Covid Relaxation

Clearly, Covid remains part of society and our lives and we must continue to be aware of symptoms and the need to self isolate if required. As life continues to return to normal we are now removing class restrictions for our school gates for Years 2 to Year 6. this means children from Year 2 to Year 6 may enter the main school playground in the morning via our main gate or by our gate on Princess Street.

Thank you for your support during such a challenging time and always putting our children and our school first.
