Live Simply—Bike/Scooter day

Following suggestions from our children, we will be introducing bike/scooter days when individual classes are invited to ride their bikes/scooters to school. During that day they will have opportunities to take time out of their normal timetable to have some special riding time on the playground.

Year 2 are invited for bike/scooter day on Wednesday with other classes invited after half term. If your child is riding to school we would please ask they wear an appropriate helmet and stay under the control and supervision of an adult, being mindful of other pedestrians and hazards.
