## First Holy Communion

This year's group of children preparing for their First Holy Communion will only have to wait one more day before this important day!

Please continue to keep these children in your prayers at this special time.

## Governor Visit

On Tuesday, we welcomed a group of our Governors to tour the school, observe lessons and talk to our children. This gives our Governors a valuable insight into the workings of our school, how well our children are learning and how our children feel about school. Our Governors had a wonderful visit and provided us with very positive and useful feedback whilst also asking questions about what we can do to further improve our school.

Thank you to those Governors who were able to join the visit.

Are you interested in becoming a parent Governor? If so, please speak to a member of the office team or Mr. Doyle for further information in this important role of challenge and support for our school.

## Year 1 Warwick Castle

Our Year 1 children travelled to Warwick Castle on Thursday for a fabulous summer trip. The children enjoyed exploring the castle and finding out about the people who lived in it over the centuries and the special visitors who have journeyed to the castle over the years.

One such very important visitor was Elizabeth I !!

Thank you to our great staff team for organising such a wonderful day and our parents/family members who supported the trip.

## Covid Reminder

Covid is still with us so please continue to be mindful if you or your child presents with any symptoms. If your child appears symptomatic, please contact the school for further advice and guidance.

## Arbor

We are now using a new system called Arbor. Emails have been sent out to all parents inviting you to create your Arbor account. This will give you the ability to pay for dinner money and in the next few weeks school trips and clubs online. Arbor will also allow you to view information on your children such as attendance. If you have not received an email please provide the office with your up to date email address.

Dear Lord Jesus, For this week's prayer, why not ask your child if they can remember the grace they say at school before meals?  
Amen.

### Summer Athletics

Our junior Athletics Squad travelled to Warwick University on Thursday to take part in this year's Coventry Catholic Primary Schools Tournament. It was wonderful to get back into competition after such a long Covid lay off. The children competed with great enthusiasm and represented our school with great pride. Well done team!
